RE: Closeout Reports for Buildings 454 & 457

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the Closeout Reports for Buildings 454 and 457, received on March 1, 2004. Since Buildings 454 and 457 were previously determined to be Type 1 Facilities we appreciate being provided these Closeout Reports for our information.

Since these facilities have previously been identified as part of the B444/447 Cluster/Complex, upon completion of the B444/447 area D&D activities, a map showing all remaining infrastructure for this area, including B454 and B457, should be provided.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
